Dear Community Fair Friend,

One of the main purposes of the Hamilton County Community Fair is to provide educational opportunities to the youth of Hamilton County. This year we are offering something new at the fair, Educational Group Day. Through this event, we hope to open the door to more agricultural awareness to the youth through various activities. All the 4-H exhibits will be on display, 4-H members will be doing demonstrations, the Cincinnati Public Library will be offering story times with crafts, Cincinnati Circus strolling performs will be onsite, as well as other activities and games for everyone.

This is the perfect opportunity for you to being a group of youth (15 or more) to learn about the agriculture in Hamilton County, the animals and things like sewing, rockets, cooking, electricity and so much more. Please note the Stricker's rides **will not** be operating during the Educational Group Day hours.

The 2023 Educational Group Day will be on Wednesday, June 28 between 10:00 am and 2:00pm and we would like to invite you to participate. Groups must be pre-registered and the cost is \$2.00 per person. As a bonus, every person that comes with your group will receive a pass come back to the fair during open to the public hours. The pass will be valid for 1 free admission and unlimited rides any day Wednesday, June 28 – Saturday, July 1.

To register your group, simply complete the attached form and return it by June 9 with a 50% deposit of the total due. If you have any questions, please contact Stephane Tumlin at [satumlin@fuse.net](mailto:satumlin@fuse.net)

Sincerely,

Board President

Hamilton County Community Fair Association, Inc.
