January 4, 2024

Floral Designer -

The Hamilton County Community Fair hosts the 4-H program every year at Stricker's Grove. In 2023, we held a Flower Show that saw nearly 400 entries from non-professional enthusiasts. Most importantly, we were able to encourage many youth entries through the 4-H program. With that success, we are looking to grow our July 10-13, 2024 Flower Show with more creative entries, greater community interest, and expanded youth opportunities.

We plan to take reservations from six professional floral designers to display in our air-conditioned exhibit hall at Stricker's Grove. See photos from our 2023 show below.

Please consider entering a display in our 2024 flower show at Stricker's Grove. To reserve your space, contact Bruce Tumlin at 513-615-2040 or btumlin@messer.com.
